

Welcome to Exeter

University
of Exeter

Welcome to Exeter

We're really pleased you've chosen to study with us and we hope you have a memorable and enjoyable time here. Settling into a new city and a new university as an international student is exciting but can also feel overwhelming at times. We're here to support you at every stage. We've written this booklet with current students looking at life in and around Exeter and at the support services available to you at the university. Scan any of the QR codes using the camera of your smartphone and they will take you to webpages that give you more information.

The Transition and Integration team are here throughout your studies at Exeter. We have practical information sessions and events at the start of term to help you settle in. We will send you a monthly email newsletter 'Your International News' with information of upcoming events. Please do read your University emails every day! The University hosts many cultural celebrations throughout the year such as Diwali, Spring Festival, Holi, a week long Cultural Festival and our annual lunch on Christmas Day. Why not join in one of our popular free Intercultural Café sessions? We'd love to meet you and find out how things are going and how we can help.

We look forward to seeing you on campus or at one of our events.

Transition and Integration Team

Welcome programme

Get involved

Top 5 things to do in Exeter

There are so many great things to do in Exeter but here are our top 5:

1. Walk around the Quay.
2. Join in events on campus: Intercultural Café, Guild Give It A Go, ResLife events, etc.
3. Try some of the great restaurants and coffee shops such as Boston Tea Party or any of the cafes on Fore Street or the Quay.
4. Go to the top of the Physics building to see the whole of Exeter.
5. Try a free Redcoat Tour to learn more about your new city, take a tour of the historic Cathedral, visit the RAMM museum or go to the Underground Passages. Finish that off with a picnic on Cathedral Green.

And if you see him, play with Napoleon the campus ginger cat!

For more student recommendations see our online guide for students.

Shopping in Exeter

You can find shops for almost everything suiting every budget in the city centre.

We are lucky to have a number of international supermarkets. You can find these in and around Sidwell Street and near the Exeter Mosque. Why not try something new?

Most shops will open 9-6pm Monday to Saturday but close at 4pm on Sundays. Supermarkets may be open longer but check before you head out! And while we're talking about supermarkets, why not look at bulk buying products with your flatmates and sharing the cost of a delivery slot/taxi?

Think about your budget:

- Charity shops are a great way to buy second hand clothes at a fraction of the price, it's sustainable and you are donating money to charities.
- Go shopping with a plan! If you are self-catering, make a meal plan and a list and stick to it. If you are in need of food inspiration look at BBC Goodfood. All UK supermarkets have cheaper versions of the big brand products. The cheaper supermarkets are Aldi, Lidl, Tesco. Wilko is good for household essentials.
- Get a UK SIM card for your phone. Most supermarkets have a loyalty app or card but you will need a UK telephone number.
- Ask if there is a student discount for hairdressers, restaurants etc.
- Get a reusable coffee cup or a loyalty card and use it to get a discount. Even better, get a flask and bring your own hot drink.

For more student recommendations see our online guide for students.

Exploring the region

We might be biased, but we think you've come to the most beautiful part of the UK! You may want to visit the big cities in the UK (London, Bristol, Edinburgh etc) but we're here to place a spotlight on our favourite local places:

- **Exmouth:** 30 minutes by train. Exmouth's long sandy beach is perfect for sunny days and evenings. Grab some fish and chips or an ice cream to indulge.
- **Totnes:** 30 minutes by train. Totnes is filled with independent shops and quaint little side streets to explore.
- **Torquay:** 40 minutes by train. Take the Agatha Christie walk along the sea front.
- **Plymouth:** 1 hour by train. The Ocean City is right on your doorstep. Visit the Mayflower Steps, the National Aquarium and The Box city museum.

- **Dartmoor:** 40 minutes by train. Take the train to Okehampton and you have Dartmoor, one of our national parks, to explore.

If you are travelling by train, we recommend you buy a 16-25 Railcard from National Rail and get 30% reduction on ALL train travel! Don't be afraid to use the local buses. If you are unsure where your stop is then ask the driver (or remember to press the stop button to request the bus to stop).

Settling in

Here are some tips from our students about settling into university:

- Try to establish a routine: regular meal times, lots of water, some fresh air and some sleep. These physical things will help you cope better with any other changes coming your way.
- Getting your timetable sorted and opening a bank account take time.
- Build connections: come to an Intercultural Café, try a ResLife, Student Guild or sport event to meet new friends and try something new. Maybe join a few student societies.
- Think about writing a journal about your experiences and take lots of pictures.

- Give yourself credit for all that you are achieving and the courage you are showing by deciding to move countries to pursue something you love.

Although most students have a great time at university, it is normal for you to experience some difficulties during this period of your life. The best advice we can give you is, "don't be afraid to reach out for support during difficult times". The sooner you let us know you are struggling, whatever the issue, the sooner we can help. The welfare team are always happy to assist with any issues big or small.

Your university life

Each university is set up differently. The remainder of this guide lists the support services at Exeter and how you can access them.

Digital Check-In

It is an important condition of your Student Visa that you attend your teaching sessions, engage with online learning materials and submit coursework. The University is required by the Home Office to ensure that all students with visas are attending and engaging with their programme satisfactorily. Please make sure that you check in at all your teaching sessions using your electronic device. You will receive an email telling you how to do this but you can find out more about how to use the University of Exeter app to record your attendance by scanning the QR code.

International Welcome Programme

Being a new student at a new university is an exciting opportunity but it can also be overwhelming at times. Our International Welcome Programmes in September and January are designed to give you the best start to your life at the University of Exeter. We have practical information sessions, tours, trips and many social events for you to join. Come along to an event and chat with staff and the International Welcome Team. We hold Late Orientation Meetings for students who arrive after the beginning of term.

Getting the most out of Exeter

We know you may feel overwhelmed with information at the beginning but it is important to read the emails that come to your Exeter university email account.

Every Monday during term time, you'll be emailed University Updates, a newsletter packed with information and events. Your department or faculty may also send you regular newsletters by email.

The International Transition and Integration team are here to support you during your time at Exeter. We will send you a monthly email newsletter 'Your International

News' with information of upcoming events. The University hosts many cultural celebrations throughout the year such as Diwali, Spring Festival, Holi or attend our annual lunch on Christmas Day. Why not join in one of our popular free Intercultural Café sessions. We'd love to meet you and find out how things are going and how we can help.

Your Studies

Digital Check-In

It is an important condition of your Student Visa that you attend your teaching sessions, engage with online learning materials and submit coursework. The University is required by the Home Office to ensure that all students with visas are attending and engaging with their programme satisfactorily. Please make sure that you check in at all your teaching sessions using your electronic device. You will receive an email telling you how to do this but you can find out more about how to use the University of Exeter app to record your attendance by scanning the QR code.

University App

MyExeter provides all students with personalised information to get the most from your life and studies at the University of Exeter. You can view your timetable, check in to classes, look at social events and lots more. You can access the app via MyExeter.

Your academic personal tutor/supervisor

Your tutor/supervisor will contact you to introduce themselves and they will offer to meet with you individually or in a group.

You can contact your tutor at any time to talk about your academic, personal and professional development. They can also help you to understand feedback on your assignments and offer suggestions for how you can improve.

Career Zone

Providing career support for international students including finding UK work experience, UK job applications and impressing employers in your home country. Includes 'Handshake' where you can find the latest job vacancies.

Digital Hub

If you need help to get started using the University's digital resources such as email, ELE or Microsoft Teams and Office 365, you can find guidance on the Digital Hub.

See our guide to who to contact for information or IT support.

Disability Support (Accessibility)

Supports students with a disability or long-term health condition including specific learning difficulties and autism spectrum conditions.

Education welfare advisers

If your psychological or physical health or wellbeing is affecting your studies, or your studying is creating health problems for you, then our Education Welfare Team is available to talk to you in a confidential and non-judgemental way about any issues you may need support with. Please do contact them if you think you might need their help.

English language skills development

INTO provide free English language skills development courses and workshops covering everything from literacy skills, communication and intercultural competence. INTO also hold free language classes for spouses and partners.

The Exeter Learning Environment (ELE)

You will need to use the ELE for your studies. It has online materials which support your course and resources to help you in your studies. Log in with your University user name and password. You can also use the ELE to access your University Email account and your timetable.

Hubs/Info points

Contact your Hub/Info point if you have any questions about education support, such as choosing modules, submitting assessments and what to do if you're unwell and need an extension to your deadlines. (This is known as mitigation.)

Library

The library provides study spaces, resources, and academic support to help you succeed on your programme. There are libraries on Streatham and St Luke's campuses. The Forum Library on Streatham Campus is open 24 hours a day, 7 days a week and the many digital books and resources are available to access online at any time with your University login.

Mitigation

The mitigation process can support you through unexpected situations that affect your ability to complete an assessment such as illness, and when you need an extension or to defer taking an assessment to later in the academic year.

Study Zone

High quality guidance and skills to support your learning.

The online study resources include practical advice and tips to develop your academic skills such as time management, research, and subject specific writing, and you can book an appointment for one-to-one support.

Your timetable

You can see your schedule of classes and lectures in 'My Timetable'.

Student Information Desk (SID)

SID advisors are your first point of contact for non-academic information including international student support, accommodation, exams, fees and funding, graduation, letter, transcripts and certificates. You can contact SID online, on the phone or in person.

Personal Support

International Student Support

The International Student Support team provide advice and information on visas and living in the UK before, during and after your studies. Their support includes pre-arrival advice, navigating the visa rules during your studies in the UK and an overview of visa options as you graduate. Specialising in the UK immigration system, the team are your first port of call for any 'visa' question and can also help with questions about UK life like setting up a bank account or accessing healthcare.

Physical health

The healthcare system in the UK is called the National Health Service (NHS) which includes hospitals, doctors' surgeries and the ambulance service. The NHS provides free emergency, routine and occasional medical treatment. You should register with a doctor when you arrive at University. We have **health centres** on or near both Exeter campuses.

Before attending the health centre you must call to make an appointment. During your appointment the doctor or nurse will provide you with a prescription for medication if you need this. Do not go direct to hospital to get medication or diagnosis for an illness unless it is an emergency. In an emergency telephone 999 and ask for the ambulance service. If you are unsure, call 111 and they will advise you. There is guidance on what to do if you get ill on the back cover of this booklet.

Psychological support

Our Psychological Support is called Wellbeing at Exeter. The wellbeing team provides free, confidential advice, guidance and psychological support when you need it. They also offer multicultural counselling.

Students' Guild Advice Service

The Students' Guild Advice Service provide independent advice on finance, accommodation, academic and other concerns.

Multifaith Chaplaincy

The Multifaith Chaplaincy is here for students of all faiths but also of no faith. You can talk to them like a trusted friend or family member about anything.

Residence Life

If you live in student accommodation the Residence Life Team provides support, guidance and advice. They organise social activities to help you feel part of the community, and you can meet with the team to discuss any issues you're having.

Community Engagement Officers

Our Community Engagement Officers can provide information and guidance to students living and socialising off-campus including information regarding noise, holding parties, recycling and rubbish.

Your Safety

Devon is generally a safe place to live, but it is always best to be aware of how to stay safe and who to contact for help. We have advice on our website to help you take care of your personal safety and keep your belongings safe.

The SafeZone app

On campus, Estate patrol, your campus security team is always available, 24/7, 365 days of the year. (See back page contacts).

They patrol the campus, respond to emergencies, are trained in first aid and can give you help and advice about safety and security.

If you need emergency services on campus – fire, ambulance or police – first call 999 or 112 or use the SafeZone app emergency button. Then contact Estate Patrol's emergency line.

Away from campus, in an emergency call 999 and ask for Fire, Police, Ambulance or Coastguard.

Harassment and discrimination: Speak out

Ours is an inclusive community, where everyone has the right to be treated with respect. We won't tolerate harassment, bullying, intimidation or discrimination (for example racism, homophobia, sexual discrimination). If you experience or witness any of these we encourage you to report it and to get the support you might need. You can report incidents confidentially.

Fraud and scams

Unfortunately, some criminals try to get money from students through scams. Common scams involve 'lost' parcels, problems with your visa or SIM card.

Our top tips are:

1. Don't give your bank account details to anyone unless you know and trust them.
2. Change your SIM card and telephone number when you get to the UK.
3. Be cautious of easy money. If it sounds too good to be true, it probably is.
4. Hang up and ask a friend. If you're contacted by someone and it seems unusual or unexpected, end the call or communication and ask someone for a second opinion.

If you think you have been affected by fraud or a scam contact the Police by calling 101 and also report it to Action Fraud.

International Student Support and SID can offer you support and advice on what to do next.

Social Life and Fun

The Students' Guild

The Students' Guild has over 300 different special interest clubs, known as 'societies' as well as running their own events called 'Give it a Go'. Joining societies is a great way to meet other students, find people with similar interests or try something new. The Guild are led by and represent all our students.

Student Sport

Student Sport provide facilities to join the gym, take a fitness class, have a swim, play a sport or compete in a club and everyone can take part. They have free sport sessions called 'Pitch Up and Play'. The Athletics Union represent students who want to get involved in sport, and oversees more than 50 sports club for you to choose from.

Residence Life

Residence Life Team organise social activities and day trips to help you feel part of the community. The **Multifaith Chaplaincy** and **Residence Life** both hold regular social events to enrich your experience at Exeter.

International student events

The Transition and Integration team hold regular events to help you settle into your life at Exeter, build your confidence and make new friends. Global Chums is a 6 week mentoring programme, free Intercultural Café runs each Wednesday and Friday during term time they also help organise cultural celebrations such as Diwali, Christmas Day lunch, Holi and Spring Festival and more.

Stay Well- what to do if during your time in the UK you get ill.

Self-care	Cough, cold, grazes, hangover, small cuts, sore throat. A range of common illnesses and injuries can be treated at home, with over-the-counter medicines bought from your grocery store.
Pharmacy	Diarrhoea, painful cough, rashes. Pharmacists advise and treat a range of symptoms. No appointments needed. Places like Boots, Lloyds Pharmacy and some supermarkets.
GP	Arthritis, asthma, back pain, vomiting, stomach ache. General practitioners and nurses have an excellent understanding of general health issues. Places like the Student Health Centre.
Minor Injuries	Bruises, cuts, itchy rash, sprains, minor burns. Walk-in centres provide non-urgent services for a range of issues. Search for NHS Walk-In. Paired with Devon Sexual Health Services.
A&E/ 999	Severe bleeding, breathing difficulties, severe chest pain. Accident & Emergency and/or calling 999 are best used in an emergency for a serious or life-threatening situation.
